*An adaptation of Charles Dickens' classic holiday tale of one man learning the true meaning of Christmas will be brought to life by the Saint Clair Shores Players. Ebenezer Scrooge is a cynical old man whose greatest concern is money, and who regards compassion as a luxury he can't afford. On Christmas Eve, Scrooge is visited by the ghost of Jacob Marley, his former business partner, who arranges for Scrooge to be visited by three spirits in an attempt to show him the error of his ways -- the Ghosts of Christmas Past, Christmas Present, and Christmas Yet to Come. Will Scrooge follow the spirits' warnings and change his miserly ways? Come check out the performance and find out for yourself!*
